REGARDING HOLLAND BULBS

From information received, we have fairly good assurance that TULIPS, HYACINTHS and other bulbs will come in from Holland this Fall. Our prices, terms, etc. are not yet definite. It appears that the general run of

TULIPS of standard varieties will be about \$50.00 per thousand for 12 Ctm.

HYACINTHS will probably be:

Top Size, 19/up - about \$150.00 per 1000
1st Size, 18/19 - about \$135.00 per 1000,
etc.

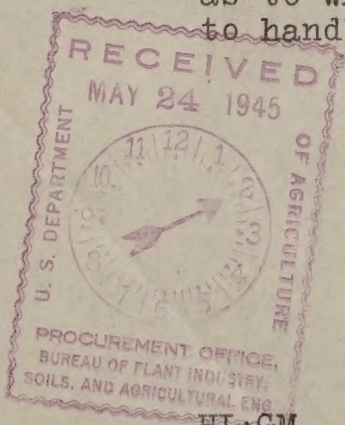

We will send you further information in the near future and we ask you to reserve your order until you hear from us further.

Should you prefer to have your order placed with us now, we will be very glad to book it for you. Please indicate what you would like to have us book you for, subject to later quotations for your final approval. Please let us hear from you as to what your intentions are and we will try to handle your order in the best possible manner.
